# RESPONSE TO NOTICE OF INCOMPLETE REPLY (NONPROVISIONAL) **Filing Date Granted**

Dear Sir:

In response to the Notice of Incomplete Reply mailed on March 5, 2002, Applicant hereby makes the following remarks.

The following items were indicated as missing or deficient: substitute drawings in compliance with 37 CFR 1.84 to correct margins. A copy of substitute drawings is submitted herewith. These drawings are the same as the drawings in the parent application.

The Notice of Missing Parts of Nonprovisional Application - Filing Date Granted was mailed to Applicant on April 20, 2001 in response to Applicant's filing of a continuation application on March 16, 2001 claiming the benefit of 09/548,485 filed on April 13, 2000, which is a continuation of 08/191,719 filed on November 12, 1998 now U.S. Patent No. 6,070,115, which claims the benefit of U.S. Provisional Application Serial No. 60/065,115 filed on November 12, 1997.

Applicant mailed a response to Notice of Missing Parts on October 19, 2002 but this response was not received by the United States Patent and Trademark Office (USPTO) until January 17, 2002. Thus, Applicant did make a bona fide attempt to respond to the Notice of Missing Parts within the required period of time. However, due to the delays for ingoing mail deliveries to the USPTO and outgoing mailings from the USPTO caused by difficulties experienced by the United States Postal Service in mid-October, Applicant is beyond the period of time to request extensions. Thus, Applicant requests that either the period of time be extended or reset such that the above constitutes a complete response to the Notice of Incomplete Reply to avoid abandonment of the application.

If, however, the above response is not accepted at this point, and it is determined that abandonment of the application is proper, Applicant hereby requests the following:

- 1) Please consider this as a petition to accept late submission of the substitute drawings. The petition fee for reviving the unintentionally abandoned application in the amount of \$1,280.00 may be charged to deposit account no. 50-1482 in the name of Carlson, Gaskey & Olds.
- 2) Any surcharge associated with the late submission of the drawings or any other fees associated with revival of an unintentionally abandoned application may also be charged to deposit account no. 50-1482 in the name of Carlson, Gaskey & Olds.
- 3) Any delay from the point of receiving the Notice of Incomplete Reply mailed March 5, 2002 and today's date was also unintentional.

It is believed the above constitutes a complete response to a potential determination of abandonment.

Respectfully Submitted,

Kerrie A. Laba, Reg. No. 42,777
